

REMARKS

Applicant respectfully requests continued examination of the application taking into account both the Amendment After Final Action facsimile transmitted on August 19, 2003 (and again on September 3, 2003) and the amendment to the specification provided by this submission. No new matter is believed to have been added, as the amended disclosure is fully supported by Claim 1 as originally filed.

Applicant submits again that the claims as amended in the Amendment After Final Action are allowable at least for the reasons stated in the Amendment After Final Action. Early and favorable consideration of the application under continued examination therefore is respectfully requested.

Respectfully submitted,

Dated: October 10, 2003
